MEMORANDUM FOR: The Honorable William P. Clark
Assistant to the President
for National Security Affairs

FROM: Director of Central Intelligence

I have told you about the prospect that withdrawal of the early retirement provisions would result in loss of [redacted] our best people and alter the character of CIA.

The attached message [redacted] will convey to you the high state of concern and the sense of outrage arising from the perception of retroactive and unilateral alteration of basic commitment and what it can do to the special quality of this organization.
